EVOPACK®

Reliable Aluminium & Tinware Solutions

ABOUT EVOPACK

EVOPACK is a trusted manufacturer and supplier of high-quality aluminium and tinware packaging solutions. We are committed to delivering reliable, hygienic and durable products that meet the highest industry standards.

Our products are widely used in food service, catering, retail and industrial applications, offering practical solutions for modern packaging needs.

PREMIUM QUALITY
Manufactured to the highest quality standards.

HYGIENIC & SAFE
Food-grade materials ensuring safety and hygiene.

RELIABLE & DURABLE
Strong, durable and designed for everyday performance.

WIDE APPLICATIONS
Ideal for food service, catering, retail and industrial use.

EVOPACK®

Reliable Aluminium & Tinware Solutions

OUR PRODUCTS

EVOPACK aluminium products are designed to deliver exceptional performance, convenience and food safety.

Manufactured from high-quality aluminium, our containers are lightweight, strong, and fully recyclable—making them the perfect choice for modern packaging needs.

FOOD SAFE
Made from food-grade aluminium ensuring maximum safety.

HEAT RESISTANT
Suitable for baking, roasting, freezing and reheating.

LIGHTWEIGHT & STRONG
Easy to handle while maintaining excellent strength and durability.

ECO FRIENDLY
100% recyclable and environmentally responsible.

VERSATILE
Available in a wide range of sizes and thicknesses to suit various needs.
